

# ASSISTANT SECRETARY OF THE ARMY FOR ACQUISITION, LOGISTICS AND TECHNOLOGY

**T**HE ASSISTANT SECRETARY OF THE ARMY FOR ACQUISITION, LOGISTICS AND TECHNOLOGY, **ASA(ALT)**, is the Army Acquisition Executive and has the mission to provide our Soldiers a decisive advantage in any mission by developing, acquiring, fielding, and sustaining the world's best equipment and services to meet current and future Army needs.

The ASA (ALT) oversees the Army Security Assistance Program and is committed to ensuring Soldiers and partner nations have the best equipment, services, and enabled technology. ASA (ALT) charges the Deputy Assistant Secretary of the Army for Defense Exports and Cooperation (DASA DE&C) to lead Army efforts to develop and implement plans, programs, and policies for security assistance and international armaments cooperation.

Program Executive Offices (PEOs) are government organizations responsible for prototyping, procurement, and fielding of equipment. Their mission is to develop, acquire, field and sustain affordable integrated state of the art equipment for the Army. PEOs execute these same responsibilities in support of Foreign Military Sales and services.
