Transmittal No. 17-62

Saudi Arabia – TOW 2B (BGM-71F-Series) Missiles

WASHINGTON, Mar. 22, 2018 - The State Department has made a determination approving a possible Foreign Military Sale to Saudi Arabia of TOW 2B (BGM-71F-Series) missiles for an estimated cost of \$670 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Government of the Kingdom of Saudi Arabia has requested to buy up to six thousand six hundred (6,600) TOW 2B missiles (BGM-71F-Series) and ninety-six (96) TOW 2B (BGM-71F-Series) fly-to-buy lot validation missiles. Also included is government furnished equipment; technical manuals and publications; essential spares and repair parts; consumables; live fire exercise and ammunition; tools and test equipment; training; transportation; U.S. Government technical support and logistic support; contractor technical support; repair and return support; quality assurance teams; in-country Field Service Representative (FSR); other associated equipment and services in support of TOW 2B missiles; and other related elements of logistics and program support. The total estimated program cost is \$670 million.

This proposed sale will support U.S. foreign policy and national security objectives by improving the security of a friendly country which has been, and continues to be, an important force for political stability and economic growth in the Middle East. This potential sale is consistent with U.S. initiatives to provide key partners in the region with modern systems that will enhance interoperability with U.S. forces and increase stability.

The proposed sale of TOW 2B missiles and technical support will advance the Kingdom of Saudi Arabia's efforts to develop an integrated ground defense capability. A strong national defense and dedicated military force will assist Saudi Arabia to sustain itself in its efforts to maintain stability. Saudi Arabia will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor is Raytheon Missile Systems, Tucson, AZ. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the permanent assignment of any U.S. Government or contractor representatives to Saudi Arabia. There will be no more than two contractor personnel in the Kingdom of Saudi Arabia at any one time and all efforts will take less than two weeks in total.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale. This notice of a potential sale is required by law and does not mean the sale has been concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military Affairs, Office of Congressional and Public Affairs, pm-cpa@state.gov.
