MEMORANDUM FOR RECORD

SUBJECT: Revision to the Defense Security Cooperation Agency's Guidelines for Foreign Military Financing of Direct Commercial Contracts

Paragraphs 28 and 29 of the Defense Security Cooperation Agency's Guidelines for Foreign Military Financing of Direct Commercial Contracts, dated August 31, 2009, are revised by replacing \$750,000 with \$2,500,000. As a result, pricing reviews required by these paragraphs are now required for all sole source procurements or Defined Basic Ordering Agreement purchase orders of \$2,500,000 or more.

This revision is effective immediately. However, it does not apply to pricing reviews already initiated by DCMA or DCAA. In those cases, DSCA will consider, on a case-by-case basis, a Purchaser's request for a pricing review waiver.

Countries participating in the Foreign Military Financing of Direct Commercial Contracts program are required to comply with the above guidance.

A handwritten signature in black ink, reading "Richard A. Genaille, Jr.", is positioned above the typed name.
