Transmittal No. 24-95

Croatia – M142 High Mobility Artillery Rocket Systems

WASHINGTON, August 30, 2024 - The State Department has made a determination approving a possible Foreign Military Sale to the Government of Croatia of M142 High Mobility Artillery Rocket Systems and related equipment and services for an estimated cost of \$390 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Government of Croatia has requested to buy eight (8) M142 High Mobility Artillery Rocket Systems (HIMARS); twenty-four (24) M30A2 Guided Multiple Launch Rocket System (GMLRS) Alternative Warhead (AW) Pods with Insensitive Munitions Propulsion System (IMPS); twenty-four (24) M31A2 GMLRS-Unitary High Explosive (HE) Pods with IMPS; two (2) M1152 High Mobility Multipurpose Wheeled Vehicles (HMMWV) with Next Generation SECM (NG SECM); eight (8) M1152 HMMWVs with Command and Control Communications Shelters; and thirty-six (36) Defense Advanced GPS Receivers (DAGR). The following non-MDE items will also be included: Low Cost Reduced Range Practice Rocket (LCRRPR) pods; AN/PRC-117G radios; AN/PRC-158 radios; AN/PRC-160 radios; Common Fire Control Systems (CFCS); International Field Artillery Tactical Data Systems (IFATDS); software; training; resupply vehicles; technical assistance; and other related elements of program and logistic support. The estimated total program cost is \$390 million.

This proposed sale will support the foreign policy and national security of the United States by improving the security of a NATO Ally that continues to be an important force for political stability and economic progress in Europe.

The proposed sale will improve Croatia's capability to deter current and future threats and support coalition operations as well as promote interoperability with the United States and other NATO forces. Croatia will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Lockheed Martin, located in Grand Prairie, TX. There are no known offset agreements in connection with this potential sale.

Implementation of this proposed sale will require the assignment of four U.S. Government and four contractor representatives to travel to Croatia for program management reviews to support the program. Travel is expected to occur approximately twice per year as needed to support equipment fielding and training. There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

The description and dollar value are for the highest estimated quantity and dollar value based on initial requirements. Actual dollar value will be lower depending on final requirements, budget authority, and signed sales agreement(s), if and when concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military-Affairs, Office of Congressional and Public Affairs, pm-cpa@state.gov.
