Transmittal No. 22-45

Taipei Economic and Cultural Representative Office in the United States –
AGM-84L-1 Harpoon Block II Missiles

WASHINGTON, September 2, 2022 - The State Department has made a determination approving a possible Foreign Military Sale to the Taipei Economic and Cultural Representative Office in the United States of AGM-84L-1 Harpoon Block II Missiles and related equipment for an estimated cost of $355 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Taipei Economic and Cultural Representative Office in the United States (TECRO) has requested to buy sixty (60) AGM-84L-1 Harpoon Block II missiles and four (4) ATM-84L-1 Harpoon Block II exercise missiles. Also included are Harpoon Guidance Control Units (GCUs); Harpoon Radar Seekers; Harpoon Radar Altimeters; Harpoon Captive Air Test Missiles (CATMs); containers; spare and repair parts; support and test equipment; publications and technical documentation; personnel training and training equipment; U.S. Government and contractor representatives’ technical assistance; engineering and logistics support services; and other related elements of logistics support. The estimated total cost is $355 million.

This proposed sale is consistent with U.S. law and policy as expressed in Public Law 96-8.

This proposed sale serves U.S. national, economic, and security interests by supporting the recipient’s continuing efforts to maintain a credible defensive capability. The proposed sale will help improve the security of the recipient and assist in maintaining political stability, military balance, and economic progress in the region.

The proposed sale will contribute to the modernization of the recipient’s capability to meet current and future threats by providing a flexible solution to augment existing surface and air defenses. The recipient will be able to employ a highly reliable and effective system to counter or deter maritime aggressions, coastal blockades, and amphibious assaults. This equipment will contribute to the recipient’s goal of updating its military capability while further enhancing interoperability with the United States and other allies. The recipient will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Boeing Company, St. Louis, MO. The recipient has requested offsets. At this time, agreements are undetermined and will be defined in negotiations between the recipient and the contractor.

Implementation of this proposed sale will not require the permanent assignment of any additional U.S. Government or contractor representatives to recipient. Support teams will travel to recipient on a temporary
basis.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

This notice of a potential sale is required by law. The description and dollar value is for the highest estimated quantity and dollar value based on initial requirements. Actual dollar value will be lower depending on final requirements, budget authority, and signed sales agreement(s), if and when concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military Affairs, Office of Congressional and Public Affairs, pm-cpa@state.gov.
