## **Ukraine – High Mobility Artillery Rocket Systems**

WASHINGTON, May 10, 2024 - The State Department has made a determination approving a possible emergency Foreign Military Sale to the Government of Ukraine of High Mobility Artillery Rocket Systems and related elements of logistics and program support for an estimated cost of \$30 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Government of Ukraine has requested to buy three (3) High Mobility Artillery Rocket Systems (HIMARS). The estimated total cost is \$30 million, which will be funded by the Government of Germany on behalf of Ukraine.

The Secretary of State has determined and provided detailed justification that an emergency exists that requires the immediate sale to the Government of Ukraine of the above defense articles and services in the national security interests of the United States, thereby waiving the congressional review requirements under Section 36(b) of the Arms Export Control Act, as amended.

This proposed sale will support the foreign policy goals and national security objectives of the United States by enhancing Ukraine's ability to defend itself and respond to continued Russian aggression.

This will be a sale from U.S. Army inventory. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to Ukraine.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

The description and dollar value are for the highest estimated quantity and dollar value based on initial requirements. Actual dollar value will be lower depending on final requirements, budget authority, and signed sales agreement(s), if and when concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military-Affairs, Office of Congressional and Public Affairs, [pm-cpa@state.gov](mailto:pm-cpa@state.gov).
